Action Alert – October 6, 2009 Ask County Board Finance Committee to Put People First - Maintain the Safety Net In the 2010 Milwaukee County Budget

The Milwaukee County 2010 budget is under development and your help is needed to advocate for essential services. The County Executive's proposed budget will be reviewed by the County Board's Finance and Audit Committee this month and they are likely to make significant changes. This is a key time to contact Finance Committee members with budget priorities.

Action Requested

- Contact County Supervisor on the Finance Committee and your Supervisor to share your priorities.
- Write a letter to the editor. Limited to 200 words. Include your name, address and daytime phone number & email to jsedit@journalsentinel.com.
- Turn out for the following:

Finance Committee Budget Hearings on Health and Human Services:

Thursday October 8: 9:00 AM – 12:00 noon

Wednesday October 14: 1:00 – 5:00 PM

Finance Committee Hearings on Transportation

Monday 10/12: 1:00 – 5:00 (currently last item on agenda)

Suggested Message to County Supervisors:

These are just suggestions – it's best to use your own words and experiences.

In this time of great need in our community, services funded by Milwaukee are an essential safety net. We urge you to fully fund vital services including:

- Fully fund mental health services and restore funds for targeted case management and outpatient services. These services are a good investment and vital to maintaining people in their recovery and limiting the need for costly emergency room and inpatient services.
- Restore funding for IDAP which is the last shred of the safety net for people awaiting Social Security disability determination. The modest monthly payment (up to \$205 for individuals/ \$344 for married couples) **is a loan which is repaid to the county** from the claimant's retroactive benefit award.
- Fund contract services for people with disabilities. A relatively small investment in services can be life sustaining and enable people to continue to live successfully in the community.
- Maintain Paratransit funding and maintain the service area. Paratransit is essential to the independence of people with disabilities and older adults who have no other option for transportation.
- Restore funding to maintain AODA services. The proposed 7% cut in funding will reduce detox capacity as well as prevention services, and will be inadequate for community needs.
