Universal Health Services, Inc.

Universal Health Services, Inc.

Since our founding more than 40 years ago, Universal Health Services has grown from six employees with a single hospital management contract to 89,000 employees across an expansive international network.

Through a combination of strategic acquisitions, new construction in attractive markets, expansions at existing facilities and joint-venture partnerships, the company has steadily grown through the years to boast a diversified set of assets delivering value to all stakeholders.

We remain as committed today as we were in 1979 to providing superior quality care and being the preferred provider in all of the markets we serve.

Behavioral Health Integrations

In response to the significant rise in demand for behavioral health services, UHS is engaging in:

- Joint ventures
- Partnerships
- New care delivery models

Integration of behavioral health and physical health services can decrease ED visits, reduce unnecessary inpatient admissions and enhance compliance for better outcomes.

Granite Hills HOSPITAL

Opening September 2021

Your new resource for Behavioral Health in Wisconsin

Granite Hills Hospital will offer high-quality, patient centered care for the greater Milwaukee community. With a wide range of treatment for adolescents, adults and older adults, our mission is to provide much needed outcome-focused care for those who need it most.

Our new 120-bed facility will feature evidence-based treatment modalities and a multi-disciplinary team led by expert medical professionals. The 120 beds are split into 5 groups of 24 with enclosed outdoor spaces to promote healing.
