

Help for those struggling with substance use and other health needs

The Hub and Spoke Integrated Recovery Support Services benefit aims to connect you with services to help support your health and recovery. This service is available to all BadgerCare Plus or Medicaid members.

WCS Hub and Spoke Health Home provides recovery services for adults with substance use needs. Our team is available to help you reach your recovery goals and overcome obstacles to a healthier life.

Where is this benefit available?

- State of Wisconsin

Recovery: A process of change through which a person improves their health and wellness, lives a self-directed life, and strives to reach their full potential.

Where can I find out more?

Wisconsin Community Services
Hub and Spoke Health Home
2610 W North Ave.
Milwaukee, WI 53205
HealthHomeInfo@wiscs.org
414-914-9494
www.wiscs.org

We will meet you where you're at in the recovery process- whatever that means to you.

Making Connections for Your Recovery Journey

Linking you to a supportive team and community care to meet your recovery and life needs

Connect. Stabilize.
Succeed.

What if I don't have BadgerCare Plus or Medicaid?

If you don't have health insurance or have minimal health insurance, staff at WCS Hub and Spoke can help you find out if you're eligible for BadgerCare Plus or Medicaid.

How does it work?

Hub and Spoke Health Home pairs you with a support team that includes staff who understand substance use and recovery on a personal level. They will listen to you and help you on your journey to wellness and recovery.

You will work closely with care coordinators who help you find behavioral and health care services to meet your unique needs. They will look for ways to strengthen your community, family, and social supports to help you reach your recovery goals.

Examples of Services

- Care Coordination
- Peer Support
- Transition of care

- Connection to:
 - Housing/Food Support
 - Employment Support
 - Transportation Support
 - Community Resources

What's included?

The benefit provides care coordination and other services, including:

- Helping you create your personal treatment plan.
- Assisting you in making connections and follow-up appointments to turn your plan into action.
- Helping you adopt healthy behaviors and manage your physical health, mental health, and substance use needs.
- Ensuring smooth transitions between treatment settings or service providers.

- Helping you build or strengthen supportive friendships and family relationships to support your success.
- Referring you to services including medical, behavioral, educational, community, and social supports.

We help you make connections and give you options to support your recovery.
